SHIPPING PROCEDURES

- Review the Material Handling Services Limits of Liability & Responsibility.
- Before leaving your office obtain a copy of the Original Bill of Lading which indicates piece count, weight, origin and consignee.
- Be sure to get pro numbers which enable a carrier to trace your shipment(s).
- Upon arrival at your exhibit, compare your shipping information with the freight in your space.
- Report any missing freight or damage to the Freight Desk immediately.
- A report will be written and we will notify the carrier.
- Empty labels must be affixed to all empty crates/cartons for storage during the show to assure correct delivery at the close of the event.

OUTBOUND SHIPPING

- Be sure to properly label all materials for shipping, prepare a bill of lading and contact your carrier.
- Please leave a copy of the bill of lading at the Freight desk to ensure packages are picked up properly.
- Extra bills are available at the Freight desk and our freight manager can assist you with outbound shipments.
